ABOUT **THE RAVENS RUMBLE**

Aspengrove School is thrilled to announce its second annual RAVENS RUMBLE! Our first event in 2024, in celebration of Aspengrove's 20th anniversary, was a huge success, welcoming over 300 guests to our campus and proved to be a fun way to bring our community together to both celebrate and fundraise for our school. This obstacle course "Tough Mudder" event - for all ages and athletic abilities - is a great way to explore the trails of our expansive campus, work together as a team, get some exercise, and most importantly, have fun!

WHY YOUR SUPPORT MAKES A DIFFERENCE

While it may be cliché to say that our children are the future, we truly believe they are! When you invest in young people and in education, you are helping to create a better future. At Aspengrove, we strive to deliver an education that empowers our students to ask questions, think bigger than themselves, and to become future leaders who will go on to make a difference in the world.

HOW YOUR SPONSORSHIP IS RECOGNIZED

Our school serves 290 students, living in the Qualicum to South Nanaimo region. Our families value supporting the communities in which they live and many are local business owners, entrepreneurs, and community leaders. Additionally, we have regular communication with 1100+ alumni and families.

Sponsors will be featured in our Aspengrove eNews and social media channels and promoted prior to, during, and following the event.
