INTRODUCTION

At Aspengrove School, students are required to wear a uniform. School uniforms have been shown to contribute to a more focused learning environment. Uniforms can also be an important part of inclusion at Aspengrove as the goal for our students is to strive to be their best based on their actions rather than their appearance.

The updated uniform was designed to provide a West Coast style that remains professional yet comfortable while also recognizing our strong connection to the outdoors and our community. This update is intended to simplify the uniform, reducing the amount of pieces families need to purchase.

The purpose of Aspengrove School's Uniform Handbook is to provide students and families with an informative, instructional document detailing student uniform requirements from Junior Kindergarten through to Grade 12.

Complete regulation school uniform is required to be worn by all Aspengrove students during school hours. Students wear formal school uniforms on Mondays, during school outings (where appropriate), at special events, or when representing the school. Casual uniforms may be worn at all other times (or athletic wear when applicable). **Please make sure that all items of clothing are clearly marked with the student's full name.**

We ask that our students adhere to the uniform requirements and wear their uniforms with pride.
