## *Gradual Entry - Summer Camps*

If you are new to Aspengrove, we strongly recommend a gradual entry into our summer camp programs to help your child feel comfortable and confident in their new environment.

If your child has previously been in care and you feel their transition will be smooth, you may choose to opt out of gradual entry. However, if you are new to Aspengrove and this will be your child's first experience in care, participation in a one-week gradual entry is required.

### **Gradual Entry Schedule:**

- Day 1: 2-3 hours
- Day 2: 3-4 hours
- Day 3: 5-6 hours
- Day 4: 7-8 hours
- Day 5: Full day

The gradual entry registration fee has been prorated to reflect the reduced schedule and is applicable only during your child's first week of camp.

Please note that if at any time your child is experiencing distress, our educators will contact you to arrange for an early pick-up.

If you have any questions about the gradual entry process, please reach out to your child's program leader.

We look forward to welcoming your family to camp!
