

SCHOOL SUPPLIES - GRADES 6 TO 12

BRING YOUR OWN DEVICE

Aspengrove School has a “Bring Your Own Device” policy for students in Grades 7 to 12. Students are expected to bring their own devices to school daily to participate in the school’s educational programming. Most students find a Laptop (Windows or Mac) or Chromebook to be the most convenient. Note: Design/Technology/Music courses in the Senior School require software that will only run on a PC or Macbook (not Chromebook).
